Hardy Perennials and Rock Plants

**HAMMONTON
FLOWER GARDENS**

WM. F. SANDEBERG, Prop.

MIDDLE ROAD
HAMMONTON, NEW JERSEY

Phone Hammonton NJ 73

OUR LOCATION

Our Nurseries are located on Middle Road Hammonton, N. J., 1 mile from the well known White Horse Pike, turning left coming from Camden's direction, turning right coming from Atlantic City's direction.

Introduction

We thank you for your past patronage, and are sending you with pleasure our new catalog, and ask you to check its pages carefully.

QUALITY

The plants offered are all strong, transplanted, one year old, field grown, and are in many instances clumps.

VALUE

We only grow the choicer varieties of Perennials and Rock plants, eliminating the varieties which are in poor demand, and are actually a liability; therefore we can give you greater values. Our prices may not be the lowest, but are the lowest for the quality plants we ship.

GUARANTEE

We grow very few varieties from seed, only those that cannot be grown any other way, and by growing plants from divisions or cuttings, they are uniform and true to name and color. In case of error in filling your order, we will replace goods in question at our expense, but we will in no way be responsible for an amount greater than original price of goods.

SATISFACTION

If for any reason upon arrival of goods you are not satisfied with the plants we shipped you, notify us at once and we will adjust with you to your entire satisfaction. Our motto is: We do not ship any plants we would not like to receive ourselves.

TERMS

Accounts on approved credit are due in 30 days net, less 2% if paid in 10 days. Unknown correspondents must send cash with order or send two satisfactory references in the trade.

C. O. D.

Plants being perishable, we refuse to send goods C. O. D. unless 50 per cent of amount is sent with order to assure acceptance.

RATE

No less than 6 plants of one variety sell at dozen rate, 25 at 100 rate, 250 at 1,000 rate. The 1,000 rate is 9 times the 100 rate.

SPECIAL QUANTITY DISCOUNT

500 plants in not more than 20 varieties.....	5%
1,000 plants in not more than 20 varieties.....	10%

PACKING

We do not charge for packing.

Visit our Nurseries and compare quality.

General List of Hardy Perennials and Rock Plants

Varieties marked with an asterisk (*) are recommended for rock gardens.

Varieties marked † are recommended for cutting.

ACHILLEA

	Doz.	100
† Boule de Neige. Double white flowers, good filler. 12 to 15 inches. June.....	\$1.00	\$6.00
† Filipendulina. Lace-like foliage and large flat heads of yellow flowers. 3 ft. June-Sept.	1.00	6.00
Millefolium Roseum. Finely cut foliage, pink flowers in dense heads. 1½ ft. June-Oct....	1.00	6.00
* Rupestris. Heads of snow white flowers borne over compact tufts of beautiful green foliage. A choice rock plant. 6 inches. June-July.....	1.10	7.00
† The Pearl. Large double white flowers on strong erect stems. Good for sprays. 2 ft....	1.00	6.00
* Tomentosa. Bright yellow flowers, cushion effect foliage. 6 to 8 in. May-June.....	1.00	6.00

AJUGA

* Brockbanki. Bronze foliage. Blue flowers. 6 inches. May	1.10	7.00
* Genevensis. Dense spikes of blue flowers. 6 inches. May-June	1.00	6.00

ALYSSUM (Basket of Gold)

* Moellendorffianum (rare). Daintiest of all Alyssums. Its small, round, silvery leaves are closely set. Yellow flowers. A striking rock plant. 4 inches. May-June	1.50	10.00
* Montanum. A small species with silvery hoary leaves, sweet-scented yellow flowers. 6 inches. May-June	1.10	7.00
* Saxatile compactum. Excellent for the rockery or front of border. Masses of bright yellow flowers. 12 to 15 inches. April-May	1.00	6.00

ANCHUSA

† Dropmore Variety. Tall spikes of gentian-blue flowers. One of the best blue perennials. 3 ft. June-July	1.00	6.00
* Myosotidiflora. This variety entirely lacks the coarseness of the tall Anchusas. Abundance of dainty blue flowers, resembling forget-me-nots, borne in branchy sprays. 12 to 15 inches. May	1.25	8.00

Varieties marked * are recommended for rock gardens.

Varieties marked † are recommended for cutting.

ANEMONE

	Doz.	100
Pennsylvanica. White, 1½ ft. May-July.....	\$1.00	\$6.00
* Sylvestris. Large, white blossoms on nodding stems of about 1 ft. Blooms freely in May and June	1.10	7.00

ANTHEMIS

† Tinctoria Kelwayi. Large, bright yellow flowers on strong, straight stems. 2½ ft. June-Sept.	1.00	6.00
--	------	------

AQUILEGIA (Columbine)

* Alpina. This variety is of the short spurred form, having dark blue flowers. 1 ft. May..	1.00	6.00
† Chrysantha. Beautiful golden yellow long-spurred flowers, blooms two months. 2½ to 3 ft. June-July	1.10	7.00
Helenae. Effective rich blue, long-spurred flowers	1.10	7.00
† Mrs. Scott Elliott Strain. This is undoubtedly the best strain. Wonderful colors and color combinations with very long spurred flowers. 2 to 3 ft. May-June	1.00	6.00

ARABIS (Rock Cress)

* Alpina. One of the earliest Spring flowering plants. Very suitable for the rockery or border, with its masses of pure white flowers. 1 ft. April-May	1.00	6.00
* Billiardieri Rosea. Pretty dark green, flat fleshy leaves. Very attractive. Pink. 8 inches	1.10	7.00
* Ferdinandi-Coburgi. Trailing, White flowers freely produced on upright stems during April and May. 6 inches	1.25	8.00
* Sturii. A compact, creeping plant with glossy evergreen foliage. White flowers on upright stems. 6 inches. April-May	1.50	10.00

ARENARIA

* Laricifolia. Masses of white flowers. 4 inches. May-June	1.10	7.00
* Montana. One of the best rock plants for trailing over a ledge. Cascades of glistening white flowers in May	1.50	10.00

ARMERIA (Thrift or Sea Pink)

* Ceaspitosa Hybrida. Small neat growing species, pink flowers, very choice. 2 inches	1.50	10.00
* Cephalotes Bee's Ruby. Stout, erect stems with large globular heads of brilliant ruby-red flowers. 15 inches. June-August. We offer the true stock, which is very scarce....	3.50	
* Formosa. Round flower heads of light shades on strong stems in May and June. 2 ft.	1.10	7.00

Varieties marked * are recommended for rock gardens.
 Varieties marked † are recommended for cutting.

ARMERIA (Thrift or Sea Pink)—Continued

Doz. 100

- ***Lauchena.** Compact tufts of grass-like foliage entirely covered with round heads of deep pink flowers borne on 6 inch stems during May and June and again in Sept. and Oct. **\$1.00 \$6.00**
- ***Maritima Rosea Compacta.** Similar to above, but more vigorous **1.10 7.00**

ARTEMESIA

- †**Silver King.** The best all around decorative hardy plant. Its bright silver-colored foliage is of great value as a filler for bouquets, sprays, etc. Can also be dried and used in the winter. Should not be cut until foliage has hardened off. 2½ ft. Clumps **1.00 6.00**

ASCLEPIAS

- †**Tuberosa.** Very showy plants, producing umbels of bright orange colored flowers. 2 ft. July-August **1.00 6.00**

HARDY ASTERS (Michaelmas Daisy)

- †**Barr's Pink.** This is of the *Novae angliae* type, a strong, vigorous grower, with the finest bright pink flowers of any Aster yet introduced. 4 ft. July-September **1.25 8.00**
- †**Climax.** One of the best and showiest, with large pyramidal spikes of light lavender blue flowers. 4 ft. Sept. **1.00 6.00**
- †**Queen Mary.** Flowers are dark sky-blue, good for cutting. 4 ft. Sept. **1.10 7.00**
- St. Egwyn.** This variety forms a compact bush, and during September, the foliage is entirely hidden by clear pink flowers. 2 ft. **1.10 7.00**
- †**Tartaricus.** The latest bloomer of all hardy Asters. 6 ft. October-November **1.00 6.00**
- †**Viola.** The best Hardy Aster as a commercial cut flower. Violet-blue flowers of good size. 4 ft. Sept.-Oct. **1.50 10.00**
- †**White Climax.** A pure white form of Climax, but flowers are somewhat smaller. 3 ft. **1.00 6.00**

NEW DWARF HYBRID BORDER ASTERS

- Countess of Dudley.** A charming clear pink with a contrasting yellow eye. 9 inches
- Lady Henry Maddocks.** Clear pale pink. 1 ft.
- Nancy.** Pale flesh pink. 1 ft.
- Ronald.** Bright lilac-pink, rose-pink buds. 1 ft.
- Snowsprite.** Semi-double white flowers. 1 ft.
- Victor.** Clear lavender-blue. 9 inches
- Rooted field divisions of above, will grow into clumps by Fall and bloom freely in September **1.10 7.00**

Varieties marked * are recommended for rock gardens.
Varieties marked † are recommended for cutting.

ASTER, DWARF ALPINE

Doz. 100

* Alpinus. Fine dwarf Aster, bearing large bluish purple flowers on 9 inch stems. May-June	\$1.25	\$8.00
* Alpinus Albus. A white variety of above	1.25	8.00
* Mauve Cushion. This variety forms a round, compact cushion that is entirely covered with mauve flowers during October and November. 9 inches	1.00	6.00
* Subcoeruleus. Large bluish violet flowers, freely borne on erect stems. 1 ft. June-July	1.25	8.00

AUBRIETIA (False Wall Cress)

* Hybrida Grandiflora. A dwarf, free flowering rock plant with large flowers in various shades of blue and lavender. 4 inches. April-May	1.50	10.00
---	------	-------

BAPTISIA

* Cymbalaria . A charming, hardy perennial trailing plant with lavender and purple flowers	1.25	8.00
---	------	------

LINDELOFIA

Spectabilis . Excellent border plant, terminal heads of rich blue flowers. 2 ft.	1.25	8.00
--	------	------

LINUM (Flax)

* Flavum . Fine variety with transparent, yellow blossoms	1.00	6.00
* Perenne . Very attractive both in foliage and bloom. Flowers of sapphire blue on graceful stems. 1½ ft. All Summer	0.85	5.00
* Perenne Album . A white form of above	0.85	5.00

Varieties marked * are recommended for rock gardens.
Varieties marked † are recommended for cutting.

LITHOSPERMUM

Doz. 100

Canescens. Yellow flowers on stout leafy stems, rare. 2 ft. May-June \$1.25 \$8.00

LOBELIA

Syphilitica. (Great Blue Lobelia.) Large spikes of blue flowers. 2 ft. July-Oct. 1.00 6.00

LYCHNIS

†**Viscaria Splendens fl. pl.** Double, brilliant red flowers. Excellent border plant. 1½ ft. June-July 1.50 10.00

LYSIMACHIA

***Nummularia (Creeping Jenny).** Excellent carpeting plant, with large, yellow flowers. May-June 0.85 5.00

LYTHRUM

Roseum Superbum. Very showy rosy purple spikes, produced all Summer. 3 ft. 1.00 6.00

MERTENSIA (Virginia Cowslip; Blue Bells)

Virginica. An early Spring flowering plant, with rich blue-rose tinted flowers. 1½ ft. ... 0.85 5.00

MONARDA (Bergamot)

Hybrida. Fine mixed shades of salmon, rose, crimson and scarlet. 3 ft. June-Aug. 1.00 6.00

MYOSOTIS (Forget-me-not)

***Palustris Semperflorens.** Large, rich blue flowers with yellow eye; blooms all Summer. 8 inches 1.00 6.00

NEPETA

***Mussini.** Grey foliage covered with masses of lavender blue flowers, during Spring and Summer. 1 ft. 1.00 6.00

***Nervosa.** (NEW.) Clear light blue flowers on upright stems. Midsummer. 1½ ft. 1.25 8.00

OENOTHERA (Evening Primrose)

***Fruticosa Youngii.** Strong grower, with numerous bright lemon-yellow flowers on 18 inch stems. June to August 1.00 6.00

***Missouriensis.** Large, yellow flowers on trailing stems. June-Sept. 1.10 7.00

***Speciosa Rosea.** Fragrant, white flowers turning to pink. 1½ ft. 1.25 8.00

ONONIS

***Spinosa.** Light mallow purple flowers. 1 ft. 1.10 7.00

PACHYSANDRA (Japanese Spurge)

Terminalis. One of the best ground cover plants. 8 inches 1.10 7.00

Varieties marked * are recommended for rock gardens.
Varieties marked † are recommended for cutting.

PENTSTEMON

	Doz.	100
† Barbatus Torreyi. Tall spikes of tubular, scarlet flowers. June to August. 4 ft.	\$1.00	\$6.00
* Blue Gem. A very valuable mid-summer flowering rock plant. Bright blue. 1 ft.	1.10	7.00
Digitalis. Tubular, white flowers with purple throats. 3 ft. June-July	1.00	6.00
* Pubescens. Violet flowers shading to a flesh-pink; excellent for hot, dry spots. 2 ft.	1.00	6.00
† Speciosus. Rich blue flowers on long spikes. 3 ft. May-June	1.10	7.00

PHLOX

Antonin Mercier. Soft lilac blue. 1½ ft.	1.00	6.00
Bacchante. Maroon. 2 ft.	0.85	5.00
Baron van Dedem. Glowing crimson. 1½ ft.	1.00	6.00
B. Comte. Brilliant rich French purple. 2½ ft.	1.10	7.00
Border Gem. (NEW.) Very outstanding. Violet-blue flowers. 2½ ft.	2.00	12.00
Enchantress. Bright salmon-pink with dark eye. 2 ft.	1.25	8.00
Ethel Pritchard. French-mauve. 2½ ft.	1.10	7.00
Europa. White with red eye. 2 ft.	1.00	6.00
Firebrand. Bright vermilion-scarlet with deep center. Large, strong trusses. 2 ft.	1.25	8.00
Graff Zeppelin. White with red eye. 2½ ft.	1.10	7.00
Jules Sandau. Large, free flowering salmon-pink. 2 ft.	1.10	7.00
Karl Foerster. Brilliant orange-red. 2½ ft.	1.25	8.00
Milly van Hoboken. Large, bright pink suffused with mauve. 2½ ft.	1.10	7.00
Mrs. Jenkins. Pure white; strong grower. 2 ft.	0.85	5.00
Mrs. Scholten. Enormous trusses of dark salmon-pink flowers. 2 ft.	1.25	8.00
New Bird. Deep crimson-red with purple eye. 1½ ft.	1.25	8.00
Painted Lady. This is one of the most pleasing in our collection. Silver pink with salmon shadings and cherry red eye. 2½ ft.	1.25	8.00
Rynstroom. Heavy trusses of large rose-pink flowers. 2 ft.	1.00	6.00
Thor. Vigorous grower, deep salmon-pink flowers, over-laid with a scarlet glow. 2 ft.	1.00	6.00
Widar. Reddish-violet, free bloomer. 1½ ft.	1.00	6.00

PHLOX, VARIOUS TYPES

* Amoena. Compact glossy green foliage and masses of vivid pink flowers. April-May. 8 inches	1.00	6.00
Arendsi Louise. Bright lilac with lilac-carmine eye. 1½ ft.	1.00	6.00
* Divaricata Canadensis. This valuable Phlox blooms from early April and all through May. Large, fragrant, blue-lavender flowers	1.00	6.00

Varieties marked * are recommended for rock gardens.
Varieties marked † are recommended for cutting.

PHLOX, VARIOUS TYPES—Continued

Doz. 100

* Ovata Carolina. Bright rosy red flowers in great quantities on 12 inch stems. June-July	\$1.00	\$6.00
* Pilosa. Red. 1 ft. May-June	1.10	7.00

PHLOX SUBULATA (Mountain Pink)

* Alba. Pure white flowers	1.00	6.00
* Apple Blossom. A free flowering variety	1.00	6.00
* Atrolilacina. This rare variety, producing deep lilac flowers, cover the plants entirely during April and May. 6 inches	1.10	7.00
* Atropurpurea (New). Pleasing deep wine-red. 5 inches. April-May	1.00	6.00
* Blue Hill. Very choice. Deep blue flowers in April-May. 5 inches.	1.10	7.00
* Brittonii. Spiny foliage bearing masses of starry, white flowers	1.10	7.00
* Fairy. Compact habit. Pale blue flowers ...	1.10	7.00
* G. F. Wilson. Free bloomer. Masses of lavender flowers	1.00	6.00
* Nelsonii. White flowers	1.00	6.00
* Rosea. The popular pink variety. 3 inches	1.00	6.00
* Vivid. Compact habit. Bright pink with salmon-pink eye. The best pink variety. 4 inches	1.10	7.00

PHYSALIS (Chinese Lantern)

† Franchetti. Orange-scarlet, lantern-like fruits. Good, when cut and dried, for winter decoration. 2 ft. October	0.85	5.00
--	------	------

PHYSOSTEGIA

† Virginica Vivid. Deep pink, snap-dragon-shaped flowers on strong stems. 1½ ft. August-September	0.85	5.00
--	------	------

PLATYCODON (Balloon Flower)

* Grandiflora. Blue balloon-shaped buds, bell-shaped when open. 1½ ft. All Summer	1.00	6.00
Grandiflora alba. A white variety of the preceding	1.10	7.00
* Mariesi. Large, deep, violet-blue flowers. 1 ft. All Summer	1.00	6.00

PLUMBAGO

* Larpentae. Very desirable border and rock plant. It is of spreading habit, growing 9 inches high, covered with deep blue flowers during late Summer and Fall	1.25	8.00
---	------	------

POLEMONIUM

* Blue Pearl. (NEW.) Has finely cut, deep green foliage and showy spikes of baby-blue flowers in April and May. Sun or shady places. 9 inches	2.00	12.00
--	------	-------

Varieties marked * are recommended for rock gardens.
 Varieties marked † are recommended for cutting.

POLEMONIUM—Continued
